RE: Samara C. Kezele Fritchman
Licensed Mental Health Counseling

To whom it may concern,

I am a retired ARMY veteran who served 22 years on active duty. For the past two years I have had the opportunity to serve AmeriCorps as a Veterans Navigator in Washington State.

As part of my duties I am required to interact and work with support services for veterans and have worked directly with Samara on several occasions. Her ability to interact with veterans on a variety of different levels has enabled her to connect with veterans on a personal level that helps them feel secure, and this has proven to be a successful strategy. I know Samara as a dedicated individual who possesses the skills, knowledge, and passion for assisting veterans that make her a positive asset to any team. I believe that she would be an excellent candidate and should be considered for any applicable position.

If you would like to contact me to further discuss this matter, I can be reached at either the email or phone numbers listed below.
