To Whom It May Concern:

It is a pleasure to write this letter of recommendation for Samara Fritchman. I have had the privilege of knowing Ms. Fritchman for the past several years after I took an Ethics Seminar from her through PESI.

Later, when I needed a substitute instructor for a year, I called upon Ms. Fritchman and she was thrilled with an opportunity to expand her experiences. She easily adapted her knowledge and skills to the instruction of three core classes: Laws & Ethics for Social Services, Interviewing and Assessment (includes DSM5), and Intro to Social Services/Mental Health. She taught these classes over three quarters from Fall 2013—Spring 2014.

Ms. Fritchman is hardworking, goal oriented, and above all conscientious about her work. I had complete confidence in her skills and knowledge in providing instruction to my students. She developed power point presentations and adapted the outcomes to her teaching style. Her experience in the world allowed her to bring real world examples and build on class discussions.

Finally, Ms. Fritchman is dedicated to pursuits. She threw herself into the position whole heartedly. She is reliable and dependable. She carries an ethic of responsibility and professionalism.

I would not hesitate to recommend Ms. Fritchman as a worthy candidate for any teaching position. If you need any further assistance, please call me at 253-964-6901.

Sincerely,

Electronically Sent via Email
