Course Title: Ethics For Mental Health Professionals

PROFESSION Substance Use Disorder Professional

SEMINAR LOCATION: Portland, OR Red Lion

INSTRUCTOR: Dr. Samara C. Kezede Fritchman

I. Please circle the appropriate number indicating the extent to which you agree or disagree with the following statements. The rating scale ranges from 1 to 5, where 1 = disagree and 5 = agree.

	Strongly Disagree				Strongly Agree			
	1	2	3	4	1	2	3	4
A. The course content was consistent with stated learning objectives.								5
B. The course content was appropriate for the intended audience.								5
C. To what extent did you achieve each of the course's major objectives?								
1) translate ethical codes from the intended purposes to clinical applications.								5
2) examine ethical obligations within the counseling profession.								5
3) identify commonly occurring ethical challenges and dilemmas in clinical practice.								5
4) interpret the necessary information/requirements for professional competence.								5
5) discuss the importance of diversity/cultural competence.								5
6) review the reasons for incorporating ethics into behavioral health practice.								5
7) define how ethics influences the decision-making process.								5
8) recognize the ability to apply useful and effective ethical-based interventions.								5
9) apply good judgment, sensitivity, and ethical guidelines to clinical practice.								5
D. The length of time to complete this course matches the number of CE credits approved.								5
E. The teaching and learning methods, including active learning strategies, were appropriate.								5
F. The instructor was knowledgeable of the subject and was well qualified.								5
G. The learning assessment activities, including the post-test, were appropriate.							4	5
H. Overall, the seminar met my educational needs, and the educational materials were useful.								5
I. Useful, new knowledge was presented at this program.								5
J. The physical facilities were conducive to learning.								5

II. I would recommend this course to a professional colleague.
Yes Not sure _____

No _____

III. I would recommend this instructor to a professional colleague.
Yes Not sure _____

No _____

IV. Did this course provide you with helpful and useful information to change your practice?
Yes

No _____

If yes, how do you intend to change your practice?
Feel more comfortable assessing risk assessment questionnaires, but honestly it kind of scared me into considering another profession.

V. The presentation was balanced and free of commercial influence or bias.
Yes No _____

If no, please explain:

VI. How much did you learn as a result of this CE program?

Very Little				Great Deal
1	2	3	4	5

VII. How useful was the content of this CE program for your practice or other professional development?

Not Useful	A Little Useful	Some what Useful	A Good Deal Useful	Extremely Useful
------------	-----------------	------------------	--------------------	------------------

VIII. Please use this space for additional comments.
Samara was very personable, approachable, and seemed to not think she is above the students.

Not change but make better, clearer and more secure.

Best Ethics Training I have ever taken. So much fun! Next time I wish I could wake up excited to go to this training.

I wish I could get all the slides as a few (not the green) were in your handout.
