Mental Health First Aid is a course that teaches you how to help someone who may be experiencing a mental health or substance use challenge. The training helps you identify, understand and respond to signs of addictions and mental illnesses.

The screenshot shows the website interface for finding a course. At the top, there is a navigation bar with a logo on the left and menu items like 'INSTRUCTOR LOGIN', 'MHFA STORE', and 'SUBSCRIBE' on the right. Below the navigation bar, there are links for 'GET TRAINED', 'BE AN INSTRUCTOR', 'ABOUT', and 'IMPACT'. The main heading is 'Find a Mental Health First Aid Course'. A blue box contains a description of the course and a call to action: 'Find a Mental Health First Aid course near you using the search tool below.' Below this, there is a search form with two input fields: 'FIND BY LOCATION' (with a placeholder 'Enter Your City and State (eg. Arlington, Texas)') and 'DISTANCE FROM ME' (with a dropdown menu set to '25 miles'). A yellow 'FIND COURSES' button is positioned below the search fields. At the bottom, there is a link: 'Find courses by instructor name'.
