## **My Private Practice Social Media Policy**

This document outlines my office policies related to use of Social Media. Please read it to understand how I conduct myself on the Internet as a mental health professional and how you can expect me to respond to various interactions that may occur between us on the Internet.

If you have any questions about anything within this document, I encourage you to bring them up when we meet. As new technology develops and the Internet changes, there may be times when I need to update this policy. If I do so, I will notify you in writing of any policy changes and make sure you have a copy of the updated policy.

Thank you for taking the time to review my Social Media Policy. If you have questions or concerns about any of these policies and procedures or regarding our potential interactions on the Internet, do bring them to my attention so that we can discuss them.
