## **EMAIL**

I prefer using email only to arrange or modify appointments. Please do not email me content related to your therapy sessions, as email is not completely secure or confidential. If you choose to communicate with me by email, be aware that all emails are retained in the logs of your and my Internet service providers. While it is unlikely that someone will be looking at these logs, they are, in theory, available to be read by the system administrator(s) of the Internet service provider. You should also know that any emails I receive from you and any responses that I send to you become a part of your legal record.
