

LOCATION-BASED SERVICES

If you used location-based services on your mobile phone, you may wish to be aware of the privacy issues related to using these services. I do not place my practice as a check-in location on various sites such as Foursquare, Gowalla, Loopt, etc. However, if you have GPS tracking enabled on your device, it is possible that others may surmise that you are a therapy client due

to regular check-ins at my office on a weekly basis. Please be aware of this risk if you are intentionally "checking in," from my office or if you have a passive LBS app enabled on your phone.
