# How Do You Document Emails and Text Messages Received From Clients?

by Roy Huggins | Last Updated: Aug 18, 2016 | Originally Published: Oct 17, 2013 | Communication Tech for Clinicians (Email, Texting, etc.), Clinician Resources, Ethics in Tech | 6 comments

“What is a record?” I ask this question with students every year in Ethics class and the answer looks very different from when I was in graduate school. Modern practice has broken out of the confines of consulting rooms, filing cabinets, and the occasional landline call. As such, we need to remember th
