To Whom It May Concern:

I am the Pastor here at Mt. Tahoma Baptist Church. It has been my privilege to have Samara C Kezele Fritchman as a member of our church since 2021.

She is well-respected as a member and a committed follower of Jesus Christ. We are grateful that she is willing to serve others in the church family and is willing to give her time to see others grow as disciples of our Savior. All of us in ministry understand that there are some members who attend while there are others who are committed to do all that they can for Christ. Samara is consistently one of those who demonstrates her faith.

If you have any further questions about Samara's character or ministry please feel free to contact me personally. You can reach me here at the church by phone or by email at [pastormwagner@gmail.com](mailto:pastormwagner@gmail.com).

Amazed by His Grace,

Dr. Mark Wagner, Pastor
